comune di SAN LAZZARO DI SAVENA

San Lazzaro di Savena city is proud to host the European Senior Bowling Championship 2019.

Our city has a special connection with bowling, since the creation of the San Lazzaro Bowling Center in 1984. It was the first 40-lane bowling alley ever built in Italy, and has recently celebrated its 30"' anniversary. A landmark for the many lovers of this sport, the San Lazzaro Bowling Center has always been a meeting point for our community, offering equipped bowling alleys and lots of activities for adults and children. Nowadays the San Lazzaro Bowling Center is known as the capital of fun and healthy competition.

We believe sport is the ultimate tool to create bonds of friendship among people,.to connect and unite the community by promoting inclusion and healthy lifestyles. San Lazzaro city, which claims countless parks and lots of recreational facilities, from the Kennedy stadiumIto the PalaSavena, has become a strong testimonial of the "sports for everybody" philosophy, by offering spaces and opportunities to those wishing to offer activities and events in the area. The European Senior Bowling Championship will also be an opportunity for those visiting Italy and Emilia-Romagna for the firsttime, to discover our many natural and artistic highlights, a stone's throw from Bologna city.

We are looking forward to welcoming the hundreds of players arriving from all over Europe with their friends and companions to participate in this moment of sport, friendship and fun. To them all my warmest greetings: San Lazzaro awaits you to throw together the bowling ball toward the future.

Welcome to the 28th European Senior Bowlers Championships 2019 in Bologna, Italy

Dear bowling friends, guests and members of the Organizing Committee,

A warm welcome to all of you to the 28th European Senior Bowlers Championships in fabulous Bologna.

It will be the second time we visit Bologna. The first time we visited the wonderful city of Bologna with the gorgeous historic inner city, museums, shops, restaurants, hotels and bars was in 2015. Besides bowling there will be lots of places to visit, evenif you have been here before. In my experience the free time during our championships is not enough to see all these magnificent places and taste all the different sorts of traditional and very tasty Italian foods.

During these championships there are going to be two bowling centres: Renobowling in Casalecchio di Reno with 24 synthetic lanes and Bowling San Lazzaro in San Lazarro di Savena with 40 wooden lanes.

To organize the European Senior Championships the organizing committee has a lot of work to do and many hours will be spent by the entire committee, the owners of the bowling centres and their technical staff, the directors and the staff of the hotels to make these championships a success for the players and the guests.

The ESBC presidium is convinced that everyone involved in the organization of these European Championships will do their utmost to make this edition, just like in 2015, a great success and that all of you can enjoy the fantastic Italian hospitality again.

We hope you will visit the 28th European Senior Bowlers Championships in Bologna 2019 in good health and are looking forward to meet you all again in a magnificent atmosphere!!

Kind regards,

Lia Fievet,
